Dr. Michael Neimkin is a Medical Specialist Consultant, specializing in ophthalmology and oculofacial plastic and reconstructive surgery. He is board certified in ophthalmology, oculofacial plastic and reconstructive surgery, and has over six years of experience in caring for patients with facial, orbital and ocular trauma, including complex facial reconstruction.

After completing his ophthalmology training from the University of Alabama, where he was Chief Resident from 2013-2014, Dr. Neimkin followed with a fellowship in oculofacial plastic, reconstructive, and cosmetic surgery at Washington University in St. Louis. He currently practices at Ophthalmic Plastic and Cosmetic Surgery, LLC. in Atlanta.

Dr. Neimkin has authored over 55 peer-reviewed publications, book chapters, and scientific presentations. He is a diplomate of the American Board of Ophthalmology and is one of the few hundred surgeons worldwide accredited by the American Society of Ophthalmic Plastic and Reconstructive Surgeons (ASOPRS). He is licensed to practice in Georgia, Alabama and Missouri.

Since 2016, Dr. Neimkin has provided Paradigm with a wealth of knowledge and experience caring for patients with facial, orbital and ocular trauma.
